HOME GAMES IN BOLD

SEASON PREVIEW

Third-year head coach Tim Doup is seeking improvement on both lines of scrimmage as he prepares his team for the 2014 season.

"The key, to be honest, are our offensive and defensive lines," Doup said about his team's chances for a success this season. "If those guys can jell and be as good as I think they can, then we will be alright. We've got to get a lot better up front on both sides of the ball to compete with the top-tier guys now."

The Cardinals could return as many as 50 lettermen from last season's 5-5 team that finished in a three-way tie for fourth place in the Ohio Athletic Conference (OAC) at 5-4.

The Cardinals, a very young team a year ago, could become the surprise team in the OAC in 2014.

"I think we can as long as everybody did what I asked them to over the off-season—get bigger, get stronger, and run to stay in shape," Doup said. "There is no reason why we can't get back to the top."

Six starters, including four linemen, return to the offense.

"Our strengths right now, are our running backs," Doup said. "We have a stable of running backs that are very, very good."

Junior running back Drew Ervin returns to the starting lineup. Ervin led Otterbein with 513 yards and four touchdowns last season in an offense designed more for passing. Sophomore running back Reid Hutchison, who rushed for 124 yards in a backup role, also returns.

Others in the mix include sophomore fullback Dalton Jarvis, senior running back Tyler Hammond and junior running back John Pyles.

"Our running game is all going to start up front with the O-line," Doup said. "A year older, I'm expecting us to run the ball better."

Otterbein featured one of the youngest offensive lines in the OAC in 2013, starting three sophomores and one freshman for most of the season.

Junior left tackle Justin Christoff, sophomore left guard Dakota Crawford, junior center Grant Noppenberger, and junior right guard Ryan Mickle are back.

The Cardinals might have to rely on the run more than usual in the early going, having lost starting quarterback Ben Sizemore and leading receiver Steven Carpenter, both All-OAC performers, to graduation.

Senior Brick Davis is the most experienced quarterback returning. Davis played in six games, completing 12 of 26 pass attempts for 148 yards last season.

Others who could compete for the starting role at quarterback include seniors Thomas Linder and Jacob Stewart, junior Kevan Green, and sophomore Joey Longhino.

"They all know they are in a battle," Doup said. "Somebody has got to step up and win the job."

Otterbein's most active receivers returning from 2013 include sophomore tight end Bryson Wray, who started all 10 games at tight end, and junior slot receiver Connor Lucas, who was in a backup role last season. Wray caught eight balls for 77 yards and two touchdowns a year ago, and Lucas made 23 catches for 211 yards.

Other returnees at wide receiver include seniors Cole Benner, and juniors Kyle Pisano and Aaron Thompson. Also back are junior tight end Chad McCray and senior Ryan Thombs, who switched from quarterback to wide receiver during spring practice.

Graduation took a bigger bite out of the Cardinal defense. The Cardinals lost six starters, including two-time All-OAC defensive end Zack Grieves, with 66 tackles in 2013.

Returning defensive starters include senior nose guard Tyler Green, sophomore inside linebacker Austin Jones, sophomore outside linebacker Will Brett, senior safety Jordan Bonifas, and senior cornerback Ty Compton.

Jones, an honorable mention All-OAC pick in 2013, led the OAC in solo tackles, 56, and ranked third in tackles for loss, with 12.5. He averaged 10 stops a game.

The Cardinals return all three of their kicking specialists, senior Nick Ganus, kickoffs and long field goals, senior Alana Gaither, extra points and short field goals, and junior Jordan Keaton, punts. Otterbein led the OAC in kick return defense and ranked fourth in net punting last year.

Otterbein opens the new season at St. John Fisher Sept. 6. St. John Fisher advanced to the quarterfinals of the NCAA Division III Football Playoffs last season.

The Cardinals get their first chance to play on the new turf in Memorial Stadium, hosting Marietta Sept. 20. Memorial Stadium received a \$2.1 million upgrade over the summer, replacing the natural grass surface with Crossflex HP turf and installing a new track.

UNIVERSITY HEIGHTS, Ohio—A slow start was too much for Otterbein to overcome, falling to host John Carroll University, 28-0, in an Ohio Athletic Conference (OAC) matchup.

After both teams missed field-goal attempts on their opening drives, Blue Streak junior quarterback Mark Myers connected with freshman wide receiver Marshall Howell on a 20-yard touchdown pass to take a 7-0 lead with 2:30 left in the first quarter.

On the ensuing drive, the Cardinals muffed the snap on the punt, giving the Blue Streaks the ball at the Otterbein 10-yard line. Senior running back DaQuan Grobsmith capitalized moments later on a 3-yard rush as John Carroll pushed their lead to 14-0.

Grobsmith would reach the end zone again on the next drive, scoring on a 37-yard run to make it 21-0 before halftime.

WESTERVILLE, Ohio—Otterbein stayed in the hunt for a winning season, overcoming crosstown rival Capital University, 19-14, in a hard-fought Ohio Athletic Conference (OAC) game Saturday at Memorial Stadium.

With two games remaining in the season, the win kept the goal of back-to-back winning seasons alive. The battle came down to the final minute when the Cardinals (4-4, 4-3 OAC) stuffed a fourth-and-1 attempt by the Crusaders (1-7, 1-6 OAC) at the Otterbein 35-yard line with 51 seconds remaining to preserve the win.

"The win is huge," said Otterbein head coach Tim Doup. "Especially when it's against Cap, it's always a little bit more gratifying. We still have two games to play to get to our first goal and it is attainable—that's to have a winning record."

Ben Sizemore finished with 315 yards and two touchdowns, completing 25 of 35 passes. Carpenter accounted for 134 yards through the air on nine catches. On the defensive side of the ball, senior defensive lineman Zack Grieves led the team with nine tackles and a sack.

ADA, Ohio—Otterbein closed out the 2013 season with a 42-21 loss at Ohio Northern.

The Cardinals, after three straight possessions ending in punts, scored on an Alex Cameron interception for a touchdown to even the score at 7-7 with 2:41 to play in the first quarter.

Otterbein went to the wildcat offense and mounted a 12-play, 75-yard drive to tie the score at 14 with 8:51 to play in the first half. Cole Benner took the direct snap five times and rushed for 51 yards.

From there, it was all Ohio Northern. The Polar Bears scored touchdowns on four of its next six possessions.

DR. KATHY KRENDL

President Kathy A. Krendl, the 20th president and the first woman to lead Otterbein University, took office July 1, 2009. President Krendl received her bachelor's degree in English from Lawrence University, her master's degree in journalism from The Ohio State University and her doctorate in communication from the University of Michigan. After holding teaching and administrative positions at Indiana University from 1983 through 1996, President Krendl joined Ohio University as dean of the Scripps College of Communication. In 2004, she was appointed Executive Vice President and Provost at Ohio University.

During President Krendl's tenure, Otterbein has changed its name from College to University. It has also developed and launched its new undergraduate curriculum with its transition to semesters. The curriculum focuses on the distinctive character of Otterbein's unique combination of curricular and experiential learning. In addition, since 2009, the institution has developed several new graduate programs in nursing, education, and business, including its first doctoral program, the Doctorate in Nursing Practice. Otterbein has also reached out to the region with the introduction of summer camps for audiences of all ages, a growing number of on-line courses, and opened the Otterbein Collegiate Institute, offering college courses for high school students. The institution has signed six new associate to baccalaureate degree agreements with six two-year institutions in the region, along with its long-standing partnership with Columbus State Community College.

Since President Krendl's appointment, Otterbein was named a top 10 "Up and Comer" by its peers in the "Guide to America's Best Colleges" by U.S. News & World Report and is ranked in the top 20 among 149 schools in its category. The American Association of Colleges and Universities selected Otterbein as one of six national demonstration sites for experiential learning, along with Georgetown and Tufts. The University's emphasis on student engagement in community service led Washington Monthly to recognize Otterbein as a top school for contributions to the public good. Otterbein also has been consistently recognized with distinction on the President's Higher Education Community Service Honor Roll through the Corporation for National and Community Service.

President Krendl resides in Westerville with her husband, Richard S. Gilbert, who teaches journalism and communication at Otterbein. Their children, Claire and Tom, have pursued academic careers. After completing her Ph.D., Claire joined Virginia Tech. Tom is currently a doctoral student at Berkeley. President Krendl serves on the boards of the Columbus YWCA, I Know I Can, the Osteopathic Heritage Foundation, and the Ohio Campus Compact. She is a member of Women for Economic and Leadership Development, American Association of University Women, and the International Women's Forum.

Otterbein University continues its proud tradition of athletic and academic excellence and has enjoyed over 100 years of intercollegiate competition. During that time, the University's mission has been to balance academics and athletic competition. Our commitment has been to the whole person, both in and out of the classroom. Our coaches are teachers first, mentors who make deep and lasting impressions on their students.

While the drive to win is important, our real commitment lies in developing leadership traits and the competitive spirit, which will aid our scholar-athletes throughout their lives.

On behalf of Otterbein's faculty, students and administration, we thank you for your support of Otterbein's athletics programs in 2013-14 and for your continuing involvement in their successes.

Kathy A. Krendl

ADMINISTRATION

Dawn Stewart enters her third year as director of athletics for her alma mater. A 1998 graduate, she was hired on April 9, 2012 after Otterbein conducted a national search that netted over 100 applicants vying for the position. Stewart, 37, came to Otterbein from Capital University where she has served four years as athletic director. She holds 20 years of experience within intercollegiate athletics at the NCAA Division I and III levels as an athletics administrator and former student-athlete. Since her arrival, Stewart has launched the Roush Hall of Champions interactive display, highlighting standout individuals and teams throughout the history of Cardinal athletics. She has also spearheaded the Turf and Track project in Memorial Stadium, which was recently completed in late August. Stewart, who was elected president of the Collegiate Event and Facility Management Association (CEFMA) in 2013, began her professional career at Otterbein in 1998 by serving as recruiting coordinator and assistant women's tennis coach. She then transitioned to the University of Dayton in 2000. At Dayton, Stewart worked from the ground up, first serving as director of ticketing services before being promoted to assistant director of athletics for business and communications in 2002. In 2007, she was named senior woman administrator, and in addition to continuing to manage a \$17 million budget and athletics communication, was placed in charge of the office of athletics academic affairs. Stewart was hired into her athletic director role at Capital in 2008 where she managed 18 varsity sports, along with 50 full- and part-time coaches and administrative personnel. Stewart received her bachelor's degree in business administration from Otterbein in 1998. She holds a master's degree in sport management from The Ohio State University and is working on her doctorate in sport management at Ohio State. A native of New Philadelphia, Ohio, Stewart and her husband, Steve, a 1998 graduate of Otterbein, now live together in Westerville.

OTTERBEIN PROFILE

The University

Otterbein University is a small private university nationally-recognized for its intentional blending of liberal arts and professional studies through its renowned Integrative Studies curriculum and its commitments to experiential learning and community engagement. Otterbein consistently stands in its category's top 20 in U.S. News & World Report's guide to "America's Best Colleges." It has been accredited since 1913 by the North Central Association of Colleges and Schools.

Location

Its picturesque campus is perfectly situated in Westerville, Ohio, America's fifth friendliest town (Forbes), just minutes from Columbus, the 15th largest city in the country.

Enrollment

Otterbein offers 75 undergraduate majors; five master's programs; and a doctorate in nursing practice (DNP). Otterbein's commitment to opportunity started with its founding in 1847 as one of the nation's first universities to welcome women and persons of color to its community of teachers and learners, which now numbers 2,600 undergraduate and 400 graduate students. Otterbein remains committed to its relationship with the United Methodist Church and its spirit of inclusion, and welcomes people of all backgrounds to Otterbein's Model Community.

The Campus

Otterbein's 140-acre campus in the heart of Westerville includes the historic Towers Hall, constructed in 1872. Renowned for its Department of Theatre and Dance, Otterbein students perform plays for the community in The Fritsche Theatre at Cowan Hall, which was renovated in 2005. The Department of Art displays art from students, faculty, the University collection and visiting exhibits in the Miller Gallery in the Art and Communication Building, Fisher Gallery in Roush Hall, and the Frank Museum of Art. A new permanent exhibit is the Presidents' Gallery, a historical and artistic display of all the University presidents, on the second floor of Towers Hall. The Department of Music also offers public performances of opera, symphony, marching band and student choral groups. Classes began in fall 2009 at both the newly built Center for Equine Studies and the University's Science Center, which has completed a \$20 million renovation and addition.

Faculty

Otterbein's student-to-faculty ratio of 11:1 offers students the opportunity to receive personalized attention from their instructors. Professors are active in campus affairs, serve as advisers to students, and participate in a unique sabbatical program to research and study recent developments in their fields.

Athletics

Men and women compete in the Ohio Athletic Conference, NCAA Division III. There are ten varsity sports for both men and women. A complete intramural program is available to all students.

Community Service

The White House awarded Otterbein the President's Award for General Community Service in 2008 for its commitment to community service and service-learning. Otterbein has been on its Community Service Honor Roll with Distinction for seven consecutive years. Approximately 80 percent of the student body participated in community service in 2012-13. In addition, 60 service-learning courses enrolled over 1,000 students that same year. Otterbein has been recognized by Washington Monthly as a Top 50 school for contributions to the public good.

The Arts

Professional training programs are available in theatre, dance, music and visual arts. There are numerous cultural events free to students throughout the year.

Global and Intercultural Engagement

Students have the opportunity at Otterbein to study abroad and to participate in local and regional cultural immersion programs. Through intercultural experiences, students gain a deeper

knowledge of and respect for another culture's worldview, its values, customs, and traditions. They may develop greater linguistic proficiency in another language and the ability to engage in meaningful communication with people in another culture. Students also develop global and cross-cultural competencies as they gain a deeper appreciation for diversity.

A new era in Otterbein football began in the fall of 2005 as the Cardinals moved into a new home in Memorial Stadium.

The \$3.2 million grandstand, built on the same site of old Memorial Stadium, was dedicated on Sept. 17, 2006 shortly before Otterbein defeated cross-town rival Capital, 17-14, by scoring on its last two possessions of the game.

The grandstand was financed through private funds, raised through the Clements Foundation and the Otterbein "O" Club, both long-time contributors to athletics and other academic programs at Otterbein.

The grandstand, with handicap access, seats 2,400, including a section in the middle with 500 stadium chairs, and a press box with elevator. The stadium also features state-of-the-art locker rooms, a training room, equipment room, and "O" Club room.

Memorial Stadium received a \$2.1 million upgrade over the summer of 2014. The natural grass surface was replaced with Crossflex HP turf and a new 13-millimeter sandwich track was installed.

Lights, courtesy of Cellular One, were added to Memorial Stadium in 1996.

The Frank and Vida Clements Recreation and Fitness Center opened in the fall of 2002.

The \$9.5 million center enhances the curriculum and clinical experiences for students preparing for careers in health, fitness and athletic training. In addition, the center significantly increases the facilities for the athletic training, sport management, and health and fitness programs; increases the health, wellness and recreation programs for students, faculty and staff; enhances Otterbein's capacity to attract future students; and expands the opportunities for partnership with the wider Columbus community.

The center has two components: a 75,000 square-foot field house, complete with a sanctioned six-lane, 200-meter indoor track; and a two-story connector to the existing Rike Center, which features a high-tech cardiovascular fitness area, fully-equipped training and rehabilitation center, coaching offices, classrooms and a student lounge area.

Built in 1974, the Rike Center houses physical education facilities and offices. The domed roof encloses an intercollegiate hardwood basketball floor with seating for 3,100; equipped weight training room; two handball courts; and locker rooms for varsity teams and physical education classes. Conventional classrooms and offices are located on the perimeter.

A \$300,000 gift from the Rike family of Dayton inaugurated the capital campaign to finance construction of the Rike Center, which was built for about \$1.5 million.

In the spring of 2008, an \$84,000 weight room was installed in the Rike Center, providing new flooring, free weights and equipment for use by student-athletes, students and staff. The project was spearheaded by the "O" Club with support from Robert Corbin '49, Tom Weisenstein and the Fishbaugh Memorial Fund.

Additional sports facilities at Otterbein include tennis courts, and separate fields for softball, baseball and soccer. A 2.5-mile cross country course, which meanders Alum Creek and traverses woods and farmland, opened in the fall of 1995. Gifts from the Otterbein alumni and friends have helped provide educational

opportunities through athletics for sports-minded students. Former student-athletes have continued their success in coaching, teaching, recreational and professional fields-evidence of quality educational experiences offered at Otterbein University.
