Otterbein Profile	40

WESTERVILLE, Ohio – Otterbein has a sour taste in its mouth after a disappointing end to last season, dropping the final four games to finish with a losing record (4-6) for the first time since 2011.

Head Coach Tim Doup, holding a 22-18 mark in four years at the helm of his alma mater, welcomes back over 40 lettermen and 12 starters to benefit this year’s campaign.

“We definitely have to get better,” Doup said. “Our first goal every season is to have a winning record, because that helps lead to other things. Our priority is to get back on the positive side and I’m seeing good leadership from our seniors right now. Hopefully that continues to trickle down as we head into the fall.”

The Cardinals are scheduled to return four starters on the offensive side, seven on defense and both the placekicker and punter on special teams. Headlining the grouping is a pair of All-Ohio Athletic Conference (OAC) selections in first team wide receiver Julian Lowe and honorable mention defensive end Kyle Blust.

Lowe, now a junior, finished second in the league for receptions (77) receiving yards (861) and receiving touchdowns (12) last fall and had the most single-season catches by an Otterbein player since 1990. Also a national qualifier in indoor track, Lowe will surely draw his share of attention from opposing defenses this go-around.

“We just have to be smart about it as coaches,” Doup explained of utilizing Lowe. “We need to move him around and not always keep him in the same spot. He should get touches whether he’s inside, outside or in the backfield, but we also need to make sure we have other threats this year besides him.”

Blust, also a junior, enters his third year as a starter after coming up with 52 tackles (5.5 for loss), three sacks, two quarterback hurries and a blocked extra-point in 2015. Other returning starters on defense include linemen Dalton Jarvis and Andre Douglas, linebackers Nick Toledo and Joe Iafelice, defensive back Jalen Liggins and safety Steven Carpenter. Liggins, who started the first four games before suffering a season-ending injury, has exercised a medical redshirt and will be back for a fifth season.

The defense gets another boost with the anticipated return of two-time All-OAC linebacker Austin Jones, who redshirted after going down with an injury on the first play of the 2015 opener against SUNY Buffalo State. Jones will be critical in maintaining the production left at inside linebacker by Drew Ervin, who led the conference with 123 tackles last season and had the most by a Cardinal in almost 40 years.

Kyle Blust

In addition to Lowe, returning starters on the offense include a trio of his junior classmates in wide receiver Logan Stepp and offensive linemen Jacob Schaefer and Case Troyer. Schaefer (guard/center) and Troyer (right tackle) will now look to guide a slightly revamped unit that lost four-year starter Grant Noppenberger, a two-time All-OAC selection, and three-year starters Justin Christoff and Ryan Mickle.

Otterbein will need elevated results from inside the trenches, on both sides of the ball, in order to jump back above the .500 mark. The team averaged just 102.4 yards per game rushing last season while allowing opponents to churn out 242.2 per game on the ground.

“The key to winning any game is running the football and then stopping the other team from running,” Doup explained. “We have to find a few guys to fill in on the offensive line and then hopefully get increased production from a defense that will be a year older. Our record has reflected much better in the years that we were able to control the run game.”

Otterbein graduated a pair of senior running backs but has a slew of quality replacements in store. Third on the depth chart a year ago was freshman Christian Johnson, who toted the rock 36 times but also contributed some as a returner on special teams.

Most notably, the team will be replacing its quarterback for the third year in a row after Kevan Green (2015) and Brick Davis (2014) served as one-year senior starters in recent years. Green was an honorable mention All-OAC pick last fall, ranking fourth in the league in passing yards (1,775) and touchdowns (15) despite missing one game.

“Have to find somebody,” Doup stressed of the quarterback position. “There are guys in the mix, but someone needs to elevate themselves in camp and be the clear-cut winner. We will work off that and progress once the bullets start flying come fall.”

Sophomore punter/kicker Joe Sanfillippo returns with a year of experience under his belt while many other returning players will challenge for spots around the field. The coaching staff is also excited about adding fresh faces to the mix.

“We are bringing in some high-quality individuals,” Doup said of the recruiting class. “Some will help us right away and others may take a year or so to get acclimated. I’m excited because I think they will mesh well and be ready to contribute in different aspects.”

Otterbein opens the season Saturday, Sept. 3 at Buffalo State in what will be the second year of a home-and-home series with the Bengals, who emerged with a 29-0 victory during the initial meeting in Westerville. The Cards will then have a bye week before starting OAC play at Wilmington College on Saturday, Sept. 17.

Logan Stepp

Notable 2015 Highlights

Senior linebacker **Drew Ervin**, playing defense for the first time after switching from running back in the offseason, became the first Cardinal since 2005 to lead the OAC in tackling. His 123 stops were the most by an Otterbein player since the late 1970's when All-American Don Snider had 147. Ervin went on to earn All-OAC and All-Region honors.

Drew Ervin

Kevan Green

Senior quarterback **Kevan Green** threw for 362 yards at Heidelberg, marking the most for an Otterbein passer since 2007. Green, who earned honorable mention All-OAC at season's end, connected on 30 of 45 passes for two touchdowns that afternoon.

With a 49-34 road win, the **2015 senior class** became the first group since 1999 to defeat cross-town rival Capital all four years. The Cards churned out 244 yards rushing, led by a school-record 99-yard TD scamper from senior John Pyles that came after Otterbein's defense had a goal-line stand .

A victory over Capital

Julian Lowe

Sophomore slot receiver **Julian Lowe** made a quick impact after transferring from Akron, snagging 77 balls for the most single-season catches since All-American Ron Severance hauled in a school-record 92 back in 1990. Lowe ranked 11th-nationally in receptions per game (7.7) and finished second in the OAC for receptions, receiving yards (861) and receiving touchdowns (12) to garner first-team all-league honors.

THE SIGNIFICANCE OF NUMBER FIVE

Now a decade-long tradition, the Otterbein coaching staff annually selects one player each season to wear the number 5. This numeral is donned as a yearly tribute to Grove City native and former quarterback Josh Worthington, who passed early Christmas morning, 2004, after his vehicle was struck by a drunk driver. He will always be remembered for the hard work, dedication and commitment he displayed as a promising young player. It is an honor and a privilege to be selected by the coaches to wear this number, which usually comes as a senior. You must not only be a respected player, but also demonstrate great character. Players to have been awarded this honor include:

Josh Worthington

DR. KATHY KRENDL

President Kathy A. Krendl, the 20th president and the first woman to lead Otterbein University, took office July 1, 2009. President Krendl received her bachelor's degree in English from Lawrence University, her master's degree in journalism from The Ohio State University and her doctorate in communication from the University of Michigan. After holding teaching and administrative positions at Indiana University from 1983 through 1996, President Krendl joined Ohio University as dean of the Scripps College of Communication. In 2004, she was appointed Executive Vice President and Provost at Ohio University.

During President Krendl's tenure, Otterbein has changed its name from College to University. It has also developed and launched its new undergraduate curriculum with its transition to semesters. The curriculum focuses on the distinctive character of Otterbein's unique combination of curricular and experiential learning. In addition, since 2009, the institution has developed several new graduate programs in nursing, education, and business, including its first doctoral program, the Doctorate in Nursing Practice. Otterbein has also reached out to the region with the introduction of summer camps for audiences of all ages, a growing number of on-line courses, and opened the Otterbein Collegiate Institute, offering college courses for high school students. The institution has signed six new associate to baccalaureate degree agreements with six two-year institutions in the region, along with its long-standing partnership with Columbus State Community College.

President Krendl currently is overseeing an exciting addition to campus — the STEAM Innovation Center. The center will connect educators with partners from the private and public sectors in central Ohio in one location to create a unique resource for students, entrepreneurs and the community. Under her leadership, the center is poised to create jobs of the future and to prepare students to fill those jobs.

Since President Krendl's appointment, Otterbein was named a top 10 "Up and Comer" by its peers in the "Guide to America's Best Colleges" by *U.S. News & World Report* and is ranked in the top 20 among 149 schools in its category. The American Association of Colleges and Universities selected Otterbein as one of six national demonstration sites for experiential learning, along with Georgetown and Tufts. The University's emphasis on student engagement in community service led Washington Monthly to recognize Otterbein as a top school for contributions to the public good. Otterbein also has been consistently recognized with distinction on the President's Higher Education Community Service Honor Roll through the Corporation for National and Community Service.

President Krendl resides in Westerville with her husband, Richard S. Gilbert, who teaches journalism and communication at Otterbein. Their children, Claire and Tom, have pursued academic careers.

Otterbein University continues its proud tradition of athletic and academic excellence and has enjoyed over 100 years of intercollegiate competition. During that time, the University's mission has been to balance academics and athletic competition. Our commitment has been to the whole person, both in and out of the classroom. Our coaches are teachers first, mentors who make deep and lasting impressions on their students.

While the drive to win is important, our real commitment lies in developing leadership traits and the competitive spirit, which will aid our scholar-athletes throughout their lives.

On behalf of Otterbein's faculty, students and administration, we thank you for your support of Otterbein's athletics programs in 2015-16 and for your continuing involvement in their successes.

A handwritten signature in cursive that reads "Kathy A. Krendl".

FACILITIES

A new era in Otterbein football began in the fall of 2005 as the Cardinals moved into a new home in Memorial Stadium.

The \$3.2 million grandstand, built on the same site of old Memorial Stadium, was dedicated on Sept. 17, 2006 shortly before Otterbein defeated cross-town rival Capital, 17-14, by scoring on its last two possessions of the game.

The grandstand was financed through private funds, raised through the Clements Foundation and the Otterbein "O" Club, both long-time contributors to athletics and other academic programs at Otterbein.

The grandstand, with handicap access, seats 2,400, including a section in the middle with 500 stadium chairs, and a press box with elevator. The stadium also features state-of-the-art locker rooms, a training room, equipment room, and "O" Club room.

Memorial Stadium received a \$2.1 million upgrade over the summer of 2014. The natural grass surface was replaced with Crossflex HP turf and a new 13-millimeter sandwich track was installed.

Lights, courtesy of Cellular One, were added to Memorial Stadium in 1996.

The Frank and Vida Clements Recreation and Fitness Center opened in the fall of 2002.

The \$9.5 million center enhances the curriculum and clinical experiences for students preparing for careers in health, fitness and athletic training. In addition, the center significantly increases the facilities for the athletic training, sport management, and health and fitness programs; increases the health, wellness and recreation programs for students, faculty and staff; enhances Otterbein's capacity to attract future students; and expands the opportunities for partnership with the wider Columbus community.

The center has two components: a 75,000 square-foot field house, complete with a sanctioned six-lane, 200-meter indoor track; and a two-story connector to the existing Rike Center, which features a high-tech cardiovascular fitness area, fully-equipped training and rehabilitation center, coaching offices, classrooms and a student lounge area.

Built in 1974, the Rike Center houses physical education facilities and offices. The domed roof encloses an intercollegiate hardwood basketball floor with seating for 3,100; equipped weight training room; two handball courts; and locker rooms for varsity teams and physical education classes. Conventional classrooms and offices are located on the perimeter.

A \$300,000 gift from the Rike family of Dayton inaugurated the capital campaign to finance construction of the Rike Center, which was built for about \$1.5 million.

In the spring of 2008, an \$84,000 weight room was installed in the Rike Center, providing new flooring, free weights and equipment for use by student-athletes, students and staff. The project was spearheaded by the "O" Club with support from Robert Corbin '49, Tom Weisenstein and the Fishbaugh Memorial Fund.

Additional sports facilities at Otterbein include tennis courts, and separate fields for softball, baseball and soccer. A 2.5-mile cross country course, which meanders Alum Creek and traverses woods and farmland, opened in the fall of 1995. Gifts from the Otterbein alumni and friends have helped provide educational

opportunities through athletics for sports-minded students. Former student-athletes have continued their success in coaching, teaching, recreational and professional fields-evidence of quality educational experiences offered at Otterbein University.

ADMINISTRATION

Dawn Stewart enters her fifth year as director of athletics for her alma mater. A 1998 graduate, she was hired on April 9, 2012 after Otterbein conducted a national search that netted over 100 applicants vying for the position. Stewart came to Otterbein from Capital University where she has served four years as athletic director. She holds 20 years of experience within intercollegiate athletics at the NCAA Division I and III levels as an athletics administrator and former student-athlete. Since her arrival, Stewart has launched the Roush Hall of Champions interactive display, highlighting standout individuals and teams throughout the history of Cardinal athletics. She has also spearheaded the Turf and Track project in Memorial Stadium, completed in 2014, and was most recently named one of four Under Armour AD of the Year Award winners within Division III by NACDA. Stewart, who was elected president of the Collegiate Event and Facility Management Association in 2013, began her professional career at Otterbein in 1998 by serving as recruiting coordinator and assistant women's tennis coach. She then transitioned to the University of Dayton in 2000. At Dayton, Stewart worked from the ground up, first serving as director of ticketing services before being promoted to assistant director of athletics for business and communications in 2002. In 2007, she was named senior woman administrator, and in addition to continuing to manage a \$17 million budget and athletics communication, was placed in charge of the office of athletics academic affairs. Stewart was hired into her athletic director role at Capital in 2008 where she managed 18 varsity sports, along with 50 full- and part-time coaches and administrative personnel. Stewart received her bachelor's degree in business administration from Otterbein in 1998. She holds a master's degree in sport management from The Ohio State University and is working on her doctorate in sport management at Ohio State. A native of New Philadelphia, Ohio, Stewart and her husband, Steve, a 1998 graduate of Otterbein, now live in Westerville and will soon welcome their first child.

OTTERBEIN PROFILE

The University

Otterbein University is a small private university nationally-recognized for its intentional blending of liberal arts and professional studies through its renowned Integrative Studies curriculum and its commitments to experiential learning and community engagement. Otterbein consistently stands in its category's top 20 in *U.S. News & World Report's* guide to "America's Best Colleges." It has been accredited since 1913 by the North Central Association of Colleges and Schools.

Location

Its picturesque campus is perfectly situated in Westerville, Ohio, America's fifth friendliest town (*Forbes*), just minutes from Columbus, the 15th largest city in the country.

Enrollment

Otterbein offers more than 70 undergraduate majors; seven master's programs; and a doctorate in nursing practice (DNP). Otterbein's commitment to opportunity started with its founding in 1847 as one of the nation's first universities to welcome women and persons of color to its community of teachers and learners, which now numbers 2,400 undergraduate and 500 graduate students. Otterbein remains committed to its relationship with the United Methodist Church and its spirit of inclusion, and welcomes people of all backgrounds to Otterbein's Model Community.

The Campus

Otterbein's 140-acre campus in the heart of Westerville includes the historic Towers Hall, constructed in 1872. Renowned for its Department of Theatre and Dance, Otterbein students perform plays for the community in The Fritsche Theatre at Cowan Hall, which was renovated in 2005. The Department of Art displays art from students, faculty, the University collection and visiting exhibits in the Miller Gallery in the Art and Communication Building, Fisher Gallery in Roush Hall, and the Frank Museum of Art. The Department of Music also offers public performances of opera, symphony, marching band and student choral groups. Classes began in fall 2009 at both the newly built Center for Equine Studies and the University's Science Center, which has completed a \$20 million renovation and addition. The new STEAM Innovation Center opened to students in fall 2016.

Faculty

Otterbein's student-to-faculty ratio of 11:1 offers students the opportunity to receive personalized attention from their instructors. Professors are active in campus affairs, serve as advisers to students, and participate in a unique sabbatical program to research and study recent developments in their fields.

Athletics

Men and women compete in the Ohio Athletic Conference, NCAA Division III. There are 11 varsity sports for men and 10 for women. A complete intramural program is available to all students.

Community Service

The White House has recognized Otterbein "With Distinction" on the President's Higher Education Community Service Honor Roll every year since it was created. In 2008, Otterbein won the President's Award for General Community Service. In 2014, Otterbein was a finalist for the President's Award for Economic Opportunity Community Service. Approximately 80 percent of the student body participated in community service in 2012-13. In addition, 60 service-learning courses enrolled over 1,000 students that same year. Otterbein has been recognized by *Washington Monthly* as a Top 50 school for contributions to the public good.

The Arts

Professional training programs are available in theatre, dance, music and visual arts. There are numerous cultural events free to students throughout the year.

Global and Intercultural Engagement

Students have the opportunity at Otterbein to study abroad and to participate in local

and regional cultural immersion programs. Through intercultural experiences, students gain a deeper knowledge of and respect for another culture's worldview, its values, customs, and traditions. They may develop greater linguistic proficiency in another language and the ability to engage in meaningful communication with people in another culture. Students also develop global and cross-cultural competencies as they gain a deeper appreciation for diversity.

Costs

2016-2017 annual tuition is \$31,424. Room and board for one year was \$10,108.
