## GAME PREVIEW:

Otterbein and Baldwin Wallace will square off for the second time in two weeks for this OAC quarterfinal match-up. The Cards pulled away to claim the regular-season contest in a relatively high-scoring affair.

Emily Willms set a new Otterbein single-game record with 10 goals in the first meeting, including three down the stretch to leave little doubt in the outcome. She ranks third in the league with 65 scores this season.

BW earned the fifth seed after beating Ohio Northern on Wednesday night, securing a 14-8 victory behind five goals from Deanna Loukas.

Two of the top goalies in the OAC will be on opposite ends, with Ashleigh Hildreth (149) and Maggie Nance (144) ranking second and third respectively in saves.

Otterbein has claimed the last three meetings in this series by a combined margin of 51-26.

The Cards beat ONU in the quarterfinal round last spring before coming up short in the semis at eventual champ John Carroll. This will be the first postseason appearance for BW since 2019.
