Deadline will be at 1:00pm on Tuesday, January 19th. Window will be from 12/31/20 to 1/19/21.

Unlimited Entries per event – Please enter your athletes with a realistic estimated performance so we can get good competition within all heats/flights. We will make every effort to accommodate corrections that day but no guarantees. Scratches appreciated.

All unattached entries will be required to pay online at directathletics.com before entries are confirmed.

Timing, Results: **Timing First** will provide the timing for the meet and we will have printed results at the end plus getting them on our web site asap after the meet ends. Live results will be available at www.timingfirst.com and displayed at the meet.

TFRRS: **NAIA, NCAA DII, NCAA DI** are all using the TFRRS web site for reporting results and POP service. These results will be sent so please make sure you have registered all athletes and obtained ID numbers.

Field Events: In the long jump, triple jump, weight throw and shot put we will give all competitors 3 jumps/throws and take 9 to the finals for 3 more attempts. Starting heights for the pole vault and high jump will be determined by the entries.

Depending on event entries, we may move the horizontal jumps / throws to one at time rather than simultaneous. This lowers the amount of officials required and increases space for teams to spread out in the Rike.

Running Events: We will have prelims in the 60m dash and the 60m hurdles races taking 8 to the finals. All other races will be finals.

There will be no athlete check in – all materials (hip numbers) for athletes will be included in your team packet.

Hip Numbers: Will be worn. Please have your athletes check in 20 – 30 minutes prior to their race.

Spikes: Maximum of ¼” exposed pyramids will be permitted at all events. **Please no spikes off of the track surface!**

Training: Athletic training services will be available. Please bring your own medical supplies. Notes from your certified trainer or physician are needed for all special treatments. Athletic training questions should be directed to Danielle Kilboy, Dkillboy@otterbein.edu

Facilities: The track surface is **Mondotrack SX** including LJ/TJ runways. Also we have added a 3 meter LJ board for 23’ plus jumpers. Surface was new in 2012.

Camps: We will have team camps set up in the Rike Center, team camps locations will be assigned.
